<tr>
<td>Other clinicians/student</td>
<td>$400 ($450)</td>
</tr>
<tr>
<td>Additional guest for Friday dinner</td>
<td>$85</td>
</tr>
</tbody>
</table>

Deadline for the early registration fee is September 5, 2012. After that date, fees increase by $50. On-line registration will be available until September 21, 2012. After that date, only on-site registration will be accepted.

*Registration fees include all course materials, lunches, refreshments, breaks and dinner on Friday, September 28th.

Online registration for this conference is required. Please visit www.cincinnatichildrens.org/AKI-PCRRT to register. Confirmation will be automatic per on-line process.

Please note: Credit card payments will be processed online during registration.

REGISTRATION FORM

To pay by hard copy check, please register online as instructed above, then complete the following form, and remit this form and payment to the address below.

Name:

Work Phone:

Email:

Please make checks payable to CCHMC CME.

Please mail registration form and check to:
Cincinnati Children’s Hospital Medical Center
3333 Burnet Avenue, MLC 8013
Cincinnati, Ohio, USA 45229

Cancellation Policy

Cancellations received on or before September 12, 2012 will be fully refundable. Cancellations after September 12 are non-refundable.

Should Cincinnati Children’s Hospital Medical Center find it necessary to cancel this conference, registration fees will be reimbursed in full. Cincinnati Children’s is not responsible for any other costs incurred by the participants.

ABSTRACT SUBMISSION

Participants are invited to submit abstracts pertaining to the topics in the program schedule. Abstracts will be accepted for either oral or poster presentations. Poster-based abstracts may be viewed throughout the course and participants will also have an opportunity to review them with the authors during the poster sessions.

ABSTRACT GUIDELINES

Deadline for submission is June 30, 2012.

- Email your abstract in .doc file to Carol Malone at carol.malone@pclnet.net. Limit to no more than 470 words.
- Only abstracts written in English will be accepted.
- Each abstract should be prepared on a separate page using 10 point type in an area measuring 8.5 cm/3.35 inches wide and 10.5 cm/4.13 inches high. Recommended font is Times New Roman. Do not put a box around the text.
- Title: 10-point type, bold.
- Author names: new line below title, 10-point, initial caps and lower case; initials for first names (do not add Prof., Dr., etc).
- Affiliation: new line, type affiliation of institution where the research work was done.
- Text: 10-point single type, include figures and tables within text in 10-point.
- Contact: At the end of the abstract, leave a blank line, then type address, fax and email of the first author.
- Notification of abstract acceptance will be July 20, 2012.
- If you have questions, contact Carol Malone at carol.malone@pclnet.net or Dr. Timothy Bunchman at tbunchman@mcvh-vcu.edu.
A rainbow arcs over the Cincinnati Children's Research Foundation building, Location S.

Thursday September 27, 2012

7-8 pm Reception
The State of AKI

9-10 pm
Break

8-10 pm
Pediatric CRRT Conference: Review of the basics of CRRT provision for
practitioners in specific patient populations, and the application
of CRRT in various disease states.

Learned objectives:
• Choice and timing of CRRT initiation, and the application
  of CRRT in specific patient populations, and the potential
  for CRRT in various disease states.
• Management in Specific Patient Populations, and the Potential
  for CRRT in Various Disease States.

CRRT Conference: Participants will be able to:
• Describe the latest evidence of pediatric CRRT with a focus on
  patient populations with congenital heart disease.
• Discuss the complex interaction between the two fields in
  modern organ failure, the issues and challenges to address
  in specific patient populations, and the potential
to modify the management of pediatric AKI in various
settings.

CRRT Conference: Participants will also be able to:
• Describe the basics of CRRT for pediatric patients across
  the spectrum of pediatric critical care.
• Discuss the latest information regarding the entire
  CRRT prescription from vasoactive, anticoagulation,
  and the application of CRRT in various disease states.

Desired Results:
The participant in each module will be able to apply knowledge
attained from attending these conferences to improve their care of
children with or at risk for, AKI.
